

## **GROUP MEMBER EVALUATION FORM**

For each member in your group, determine how much you feel he or she contributed to the development of your **group project** throughout the course of the semester. Below, write down the name of the group member, and then rate the individual's contribution from 0 to 100, where 100 is the best possible score. You are responsible for evaluating the **effort** each member invested, and not the intellectual abilities of the member.
